

PODERE  
*San Cristoforo*  
 VIGNETI E CANTINA IN GAVORRANO  
 MAREMMA TOSCANA

Podere San Cristoforo is a small estate in the Tuscan Maremma, an area lying between the sea and gentle hillsides that now produces some of the best wines in Italy. At the estate we follow the **biodynamic** approach and we believe in low yields, little use of technology and a great deal of manual labour. We focus mainly on the soil, remaining sensitive to its characteristics and its symbiotic relationship with the vines, although we find that all the elements that characterize our **terroir** are important, even the intensity of the light and the constant wind. Everything contributes to a great tasting pleasure: a marked character, a rich flavour, and a healthier beverage. At Podere San Cristoforo we are **fine wine artisans** and our quest is to produce just a few bottles that really reflect our special natural environment.

*Lorenzo Zonin is making some of the most fascinating wines in Maremma and Podere San Cristoforo is one of the most exciting young properties of the area. The Podere San Cristoforo reds are distinguished for their exuberant fruit. So far, Sangiovese seems to be the estate's strong suit.*

*Antonio Galloni for Vinous*

*Podere San Cristoforo is one of the most exciting things to happen to Maremma wine in the last five years or so. Lorenzo Zonin, moonlights as a boutique winemaker in this wild and untamed corner of southern Tuscany, has created this success story. His driving force is pure and unyielding passion for wine and a desire to carve his own small niche.*
